November Newsletter

Principal's Message:

I will start this newsletter with an apology. I am sorry for missing October's newsletter. I wish it was a test to see if these things are even read but unfortunately this miss was not intentional.

Thank you to the Lavington Community for the positive feedback, constructive criticism, and student support during our Fall Conferences. It is important to be on the same page regarding student goals and ways to support each other throughout this journey we call education.

I hope everyone has a safe and happy Halloween! Please take care!
